TAC MEETING CANCELED

New Web Page: www.flowstobay.org

Next TAC Meeting, Tuesday, April 15, 2003 in the City of San Mateo at 10:00 A.M.

Don't forget to sign up for the **STOPPPP Illicit Discharge Identification and Control Workshop**, Tuesday, March 25, 2003, from 8:00 A.M. to 2:00 P.M. at the Foster City Community Center (2nd Floor of Library) Wind Room, 1000 E. Hillsdale Blvd., Foster City. No Charge and includes lunch.

Also, the CASQA is holding a two-day Workshop in **Training for Revised California State BMP Handbooks** in Oakland at the Henry J. Kaiser Arena, 10th Street on April 14 and 15 from 9:00 A.M. to 4:00 P.M. There are four sessions including **Construction Activity Handbook** and **New Development and Redevelopment** on Monday and **Handbook, Municipal Handbook and Industrial Handbook** on Tuesday. There is an early registration fee of \$100/ session/person if received before March 21st. It increases to \$120/session/person thereafter. The **Municipal Handbook** session conflicts with our TAC meeting, but most municipal maintenance personnel do not attend TAC on a regular basis so it should be a problem.
